PCS INFOTECH LIMITED

Independent Auditor's Report to the members of PCS Infotech Limited

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of **PCS Infotech Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2021 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and loss for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. My responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, including Annexures to Board's Report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially consistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. Based on the work I have performed, I conclude that If, there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, I give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNUAL REPORT 2020-2021

PCS INFOTECH LIMITED

2. As required by Section 143(3) of the Act, based on my audit, I report that:
- I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
 - In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
 - The Balance Sheet and the Statement of Profit and Loss, dealt with this Report are in agreement with the books of account.
 - In my opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - On the basis of the written representations received from the directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the report on adequacy of the Internal Financial Controls Over Financial Reporting of the Company and operating effectiveness of such control is not applicable to the company
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Notes to financial statements for the year ended 31 March 2021

1 Basis of preparation:

The Company is incorporated on 5th December 2012 as a wholly owned subsidiary of PCS Technology Limited.

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "IndAS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1 April, 2017. Previous periods have been restated to IndAS.

These financial statements have been prepared in accordance with IndAS as notified under the Companies (Indian Accounting Standards) Rule, 2015 read with Section 133 of the Companies Act, 2013.

2 Significant Accounting Policies:

a Revenue recognition:

Revenue is recognised as per the provisions of the Indian Accounting Standards 18 on "Revenue Recognition" issued by Institute of Chartered Accountants of India and the provisions of The Companies Act, 2013

b Taxes on income:

Tax expenses comprise current tax and deferred tax charges or release. Deferred tax is recognized on timing difference subject to consideration and prudence, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent period.

c Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be outflow of resources. Contingent Liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

22 EMPLOYEE BENEFIT OBLIGATIONS

Gratuity

Every Employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972 or Company scheme whichever is beneficial. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. However, the Company do not have any employee on employment basis. Therefore all disclosures associated with employee benefit obligations are not applicable.

23 Fair Value Measurement

a) Fair Value Hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. There are no financial assets and liabilities which needs to be measured at amortised cost.

There were no transfers between any of the following levels during the year:

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV).

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- i) the use of quoted market prices or dealer quotes for similar instruments
- ii) the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- iii) the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- iv) the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- v) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

24 CAPITAL MANAGEMENT

Risk management

The primary objective of the Company's Capital Management is to maximise shareholder value. The Company monitors capital using Debt-Equity ratio, which is total debt divided by total capital plus total debt.

For the purposes of the Company's capital management, the Company considers the following components of its Balance Sheet to be managed capital:
